Attorney Docket No.: 50179-081 :  
For: METHOD OF DESIGNING AGONISTS  
AND ANTAGONISTS TO IGF  
RECEPTOR :

DECISION ON PAPERS  
RESUBMITTED  
UNDER 37 CFR 1.42

This decision is in response to applicants' "Renewed Petition Under 37 CFR 1.42" filed 30 August 2001.

**BACKGROUND**

On 30 May 2001, a decision dismissing applicants' petition under 37 CFR 1.42 was mailed because the declaration did not contain information on the deceased inventor, Peter Tulloch.

On 30 August 2001, applicants filed the instant response which was accompanied by, *inter alia*, an executed declaration and a one-month extension of time request with a fee of \$110.00.

**DISCUSSION**

In the decision dated 30 May 2001, the declaration submitted 20 November 2000 listed the name, citizenship, residence, and post office address of the legal representative, Paul Tulloch. However, applicants did not provide any information on the deceased inventor in the declaration. Therefore, the declaration failed to comply with 37 CFR 1.497.

In the renewed petition, applicants have furnished a declaration signed by Paul Tulloch as legal representative of Peter Tulloch. The citizenship, residence and post

office address of the deceased co-inventor are listed on this declaration. However, the citizenship, residence, and post office address of the legal representative is not listed as required by 37 CFR 1.497(b)(2).

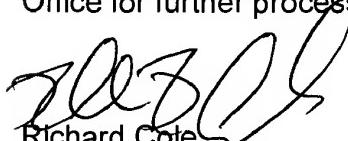

Nevertheless, the declaration filed 20 November 2000 will be combined with the declaration filed 30 August 2001 to comply with the requirements of 37 CFR 1.497.

**CONCLUSION**

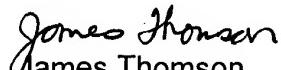

The papers filed under 37 CFR 1.42 are **ACCEPTED**.

Applicants have completed the requirements for acceptance under 35 U.S.C. 371(c). The application has an international filing date of 27 November 1998, under 35 U.S.C. 363, and a 35 U.S.C. 371(c) date of 30 August 2001.

This application is being forwarded to the United States Designated/Elected Office for further processing in accordance with this decision.
